

UCF Weekly Update January 4, 2023

Epiphany Sunday is a little later than usual here (We're celebrating on 1/8) Apparently, this year, the Wise men chose to travel west to east instead of east to west. They slowed down in Buffalo, but will be here on Sunday.

UCF HOUSEKEEPING

Welcome Betsy Pierce

Betsy Pierce is the new Administrative Assistant at UCF. Betsy and her husband live on DeRuyter Lake. Betsy grew up in Bloomfield, New York then went to college at SUNY Cortland. She got her Bachelor's Degree in French and then went on to get a Master's Degree, first in French Literature and then later, in Spanish Grammar. After teaching for 33 years, she retired in June of 2022. She has two children and two step-children. Her daughter is an RN, her son is a surveyor, her stepson is a math teacher, and her other stepson is a civil engineer. The light of her life is her 11-month old granddaughter. In her free time, she loves to ride her Peloton, swim, hike, read, travel, crochet, and spend time with her family (and her two cats).

Betsy is very excited to start this week of January and looks forward to meeting everyone. She has had such a wonderful experience with the few people that she has met so far. UCF seems like a pretty special place so she is looking forward to this new chapter in her life. Please don't hesitate to stop in and say hello and introduce yourself.

UCF IN THE WORLD

January 15 [Service Opportunity at the Samaritan Center Next Sunday, January 15](#)

We will be helping to serve the Sunday meal. *You* are invited to participate. Use the sign-up board or contact me directly. We will gather in the church parking lot, **by noon at the latest**, to carpool to the Samaritan Center, arriving as requested by 12:30. The meal is served 1:00-2:30, so, with cleanup, I expect we will be back by 4:00 at the latest, maybe 3:30. (Wear a hat or you may use one of their hair nets.) Young people are welcome with a parent. Thank you for considering this service opportunity. Betsy 315-655-4806 nashbetsy@gmail.com
