Butternut Creek Revival returns to the Steeple Coffee House! This is an amazing group of musicians who perform covers, original songs and bring joy to us all when they play! Len Widdekind on guitar and vocals is just wonderful! Ed Gorham on guitar and vocals brings joy to every song he plays and sings! Tyler Datmore is new to us, but has been playing with Len and Ed for some time and is a great percussionist.

We look forward to seeing them on October 22nd. Admission/suggested donation is \$15/person. Doors open at 7:00 with the show starting at 7:30 going to 9:30. Coffee, tea, and dessert included.

**Hope to see you all there for this wonderful night of music! *John*
