## Housekeeping

If you are coordinating events or activities, please, please:

1) Send any room use plans to Diana at [office@theucf.org](mailto:office@theucf.org) especially if you are hoping for heated space.

2) Send to me [lindaeven@theucf.org](mailto:lindaeven@theucf.org) blurbs about needs for volunteers, contributions, information for the weekly email, by Tuesdays ~ 10AM, if not earlier.

With everything that is going on, I am tending to send on Tuesday, afternoons, so folks have time to access before a weekend.

## UCF IN THE WORLD

**The Salvation Army Angel Tree is across from Beard Lounge.**

Please take a tag from the tree and buy gifts for people from infants to the elderly. Bring the new unwrapped gift and put it under the tree by Sunday, December 11. Questions? Call Mary Jane

## THIS WEEK'S THANKS

\*Alice Borning for offering to help our new and returning elders prepare and set up communion as we return to more traditional practice.

\*Not for this week alone, but for their committed service throughout the year, be sure to thank our musicians/worship leaders and our Director of Music Ministries, Jon Bergman.

\*To the Change Group for hosting a fun Game Night!
