**IN OUR HOUSE**

**\*Sunday, July 2 The Lord's Supper**

As we share the Lord's Supper, let's contribute to the F-M Food Pantry to benefit those who experience food insecurity every day: canned soup, tuna (or other canned meat –chicken, spam, etc.), rice (not microwavable), coffee (caffeinated and decaffeinated) and tea bags.

**\*Music Sunday**

Good music! Good singing! Good company! An uplifting morning!

### **\*Expressing Appreciation All Summer Long!**

On Music Sunday, we thanked our choirs for their leadership in worship, kicking off a summer-long time of thanks. Each Sunday, we will thank folk that make our ministry happen. Feel free to express personal thanks!

### **\*It's That Time Again! Directory Updates Needed!**

In August, we will prepare our updated congregational directory. Given this information affects all our databases/lists and knowing mistakes do happen, we ask EVERYONE to review the information about your household in the current directory.

Things to consider: Are there any typos? new information/changes? missing info about young adult/children?

If you are a friend of the congregation (regular participant in our life together), are not currently listed and would like both to be included in the directory and have a copy prepared for you, please send your name, snail mail address, land line, if applicable, cell number and email address. We honor requests not to publish cell numbers and email addresses and reserve them for church use only. SEND ALL INFO TO BETSY AT [office@theucf.org](mailto:office@theucf.org) BY AUGUST 1, 2023. PLEASE PUT "DIRECTORY UPDATE" ON THE SUBJECT LINE.

### **\*UCF Church Socials!**

No, not finger foods -- social media! We have increased our presence on social media by adding an Instagram account. This, in addition to our Facebook account, are excellent ways to create an online presence, increase positive exposure in our community, and be visible to prospective new members. The more activity we have on our social media pages, the better! Following our Facebook and Instagram pages as well as "likes" on our posts show anyone looking at our pages what an active and fun group we are! Sharing UCF's posts to your own pages gets our message out there even further! It's also a great way to make sure you aren't missing any of our awesome events and activities! What are you waiting for?? Go check us out -- Follow! Like! Share! Get social!
