IN OUR HOUSE

***Expressing Appreciation All Summer Long! Administration and Personnel Pod**

These folk do an extraordinary amount of behind the scenes work: supporting and encouraging staff members; leading searches; letting our neighbors know who UCF is and what we do; (assisted by the many folk who send pictures); maintain the website, Face Book and Instagram and office function supported by computers; and office volunteers.

Administration and Personnel Pod: Dave C., Pod Coordinator, Communications: Andrea L., Gloria M., Coordinator, IT: Rich B., Bob C., Coordinator, Dave D., Personnel: Dave C., Pod Coordinator, Beth K., Gloria M., Janet P., Office Support: Carol C., Gloria M., Linda R., Gail S., Mary Jane W.

UCF IN THE WORLD

***F-M Food Pantry**

The need is great. Rising food prices and significant reductions in SNAP benefits have had financial impact on those experiencing food insecurity, food pantries and banks and donors. Always needed items: cereal, pasta, spaghetti sauce, peanut butter, and jelly. Particular needs this month: paper towels, cat food (wet or dry -wet especially needed).

HOUSEKEEPING
